

# Management MSc

## Top British Master's degree in Germany

Lancaster University Leipzig is a branch campus of Lancaster University, UK. The campus in Germany offers the highly recognised British degree from Lancaster University, all while studying in the heart of the vibrant city of Leipzig, on a modern and centrally located campus.

### Why study Management at LU Leipzig?

Every company needs managers who can navigate the complexities of business and show global awareness. Our MSc Management programme will equip you with these key skills and a range of management techniques to prepare you to work in leadership and managerial roles for local and international companies.

This programme is for graduates of all backgrounds, particularly of interest if you want to kickstart your career with an industry-standard certificate in management studies. Or you already have worked within an industry and are looking for a promotion.

As an LU Leipzig student, you will also graduate with a profound emotional intelligence making this an excellent choice to launch a successful career in management.

### Your career opportunities

Leipzig is the fastest growing city in Germany with five main industries: Automotive, Logistics, IT & Media, Biotech and Energy. We provide a network of companies in all these fields. Our Careers Centre supports you in your job search. Benefit from professional skills workshops, career fairs, access to platforms and our Lancaster University Alumni Network.

# FAQs

## Who is the Pre-Master's programme for?

This programme is designed for students who either do not meet the academic or English requirements for direct entry. A Successful completion of this pathway will allow progression to MSc degree.

## Will non-EU students qualify for a 18-month post-study work permit?

Yes, you can apply for the post-study work permit to look for a job that corresponds to your qualifications. You can apply for this permit as soon as you have passed your final exam.

# Key Facts

## What are the accommodation options?

We have a variety of living options, ranging from off-campus student residences to affordable private or shared apartments. All within a short walk, bike or tram ride from the campus.

## Are there funding options?

Yes. Brain Capital is one of the options for EU students. Internationals can get scholarships up to €4,000.

## Can relevant work experience help if academic requirements are not met?

Indeed. Relevant professional experience within the industry will be considered.
