

# Accounting and Finance BSc (Hons)

Lancaster University Leipzig is a branch campus of Lancaster University, UK. The campus in Germany offers the highly recognised British degree from Lancaster University, all while studying in the heart of the vibrant city of Leipzig, on a modern and centrally located campus.

## Course overview

The programme provides in-depth knowledge and is highly career-focused. You will learn from leading academic researchers and expert practitioners in finance, investing and accounting.

The courses are highly flexible, letting you specialise your studies based on your strengths and interests. Our students leave highly specialized within the financial sector for jobs that require deep financial expertise and accounting practices.

## Sample Modules

- Principles of Economics
- Quantitative Methods for Accounting and Finance
- Management Accounting for Business Decisions
- Corporate Finance
- Financial Statement Analysis

## Key Skills You Gain

- Financial Analysis and Interpretation
- Accounting Proficiency
- Investment and Risk Management
- Problem-Solving and Decision-Making
- Communication and Professional Development

We also offer this specialised Bachelor's degree to gain expertise in both fields.

## BSc (Hons) Business Management with Accounting and Finance

This programme combines Accounting and Finance skills with Business Management knowledge.

It blends quantitative analysis, financial accounting, and management principles. This equips you with practical skills for analysing business performance and making informed decisions. You gain expertise in statistical methods, corporate finance, management accounting, and international financial management.
