# Life in Leipzig, Germany

Leipzig is a large city in eastern Germany, approximately 1 hour 20 minutes from Berlin via train.

One of the fastest growing cities in Germany, Leipzig's economy is advancing particularly in IT, logistics, media, and the creative sectors. This growth offers exciting opportunities for graduates wanting to make the most of the 18-month post-study work visa.

Ranked in the top 5 cities in Europe for quality of life, Leipzig offers excellent public transport infrastructure alongside ample green spaces. The city's nickname of "Hypezig" also illustrates its vibrancy. Leipzig hosts many cultural events throughout the year and boasts a rich history in music, with its celebrated opera house just a 5-minute walk from campus.

## A place to call home

A buzzing city of students and young professionals, Leipzig offers plenty of accommodation options. Most properties are located across the city's districts, with many just a short walk or train ride from campus. Choose from stylish studio flats with your own bathroom and kitchenette, or modern apartments in buildings that include on-site gyms and social spaces. All accommodation is fully furnished, managed to a high standard, and has bills included, so you can focus on enjoying your studies.
